On the occasion of the  
Mahatma Gandhi's 153<sup>rd</sup> Birth Anniversary

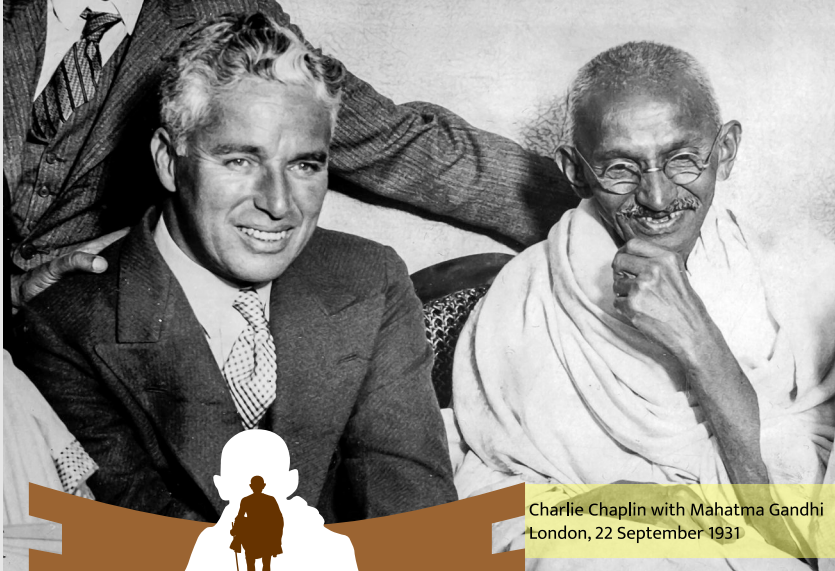

NATIONAL  
**SOLO-ACTING**  
COMPETITION

## Concept

Mahatma Gandhi has impacted various fields through his work and thoughts. Let's name just a few: health, environment, literature, lifestyle, religion and spirituality, administration and politics, and so on. But Gandhiji himself was influenced by drama since his childhood. And although Bapu was not an actor, he has, nonetheless, inspired many stalwarts in this field. Mahatma Gandhi's personality was so impressive that it could inspire any artist. Many films have been made about his life and many plays have been written, and this continues even today, with contributions by children and adults.

It is a pleasure that, on the occasion of Mahatma Gandhi Jayanti, the Gandhi Research Foundation is organizing a National Solo Acting Competition. We invite you to take part in this competition to hone your acting skills and to become a mediator of Mahatma Gandhi's vision.
