International Student Internship Program

**3 – 6 months
(from October 1st, 2022 onwards)**

Student Internship Program

The Gandhi Research Foundation (GRF), an academic institution committed to rural reconstruction, contributes towards sustainable living for India's villages through applied research on social, economic, political, cultural and environmental issues.

Situated in rural India, near Jalgaon, the GRF's pollution-free campus, with its verdant garden landscape and mango groves, is veritably an Arcadian idyll. With its comprehensive library and archival collections as well as a multi-media Gandhi museum, complemented by good board and lodging facilities, the GRF comprises an environment congenial for student interns to participate

in a wide spectrum of learning activities:

- Peace, Conflict and Leadership workshops
- Field-work towards rural sustainability
- Khadi spinning and weaving
- Digitisation and preservation technology
- Archival cataloguing
- Gandhian studies (reading, discussions/ seminars)
- Language skills in English, Hindi & Marathi.
